Fire that Liar

Lyrics © 2026 Cathy Turnbull and Nydia McCrohan and Tom Moore
Tune: Light My Fire (The Doors)

You know he never says what's true
You know the orange one's a liar
We know what we've got to do
Raise the truth higher and higher

Come on people fire that liar
Come on people fire that liar
We must remove his power

If we all show up to vote
The situation's not so dire
Raise your voices at the polls
Tell him we are just so tired

Come on people fire that liar
Come on people fire that liar
We must remove his power

<kazoo interlude>

Come on people fire that liar
Come on people fire that liar
We must remove his power

He sent our brave troops to attack
We're stuck in his Iran quagmire
He distorts and hides the facts
Liar liar pants on fire

Come on people fire that liar
Come on people fire that liar

We must remove his power
