It's Beginning to Look a Lot Like Fascism

Tune: It's Beginning to Look a Lot Like Christmas

It's beginning to look a lot like fascism:
flailing king in charge
screaming TREASON! now EXECUTE
those who would speak the truth
His mind is small and truth is just too large

It's beginning to look a lot like fascism:
Nazi goons galore
And the ugliest sight to see
is the savage cruelty
of the ICE thug force

There's a warrior clown
who swaggers around7
telling troops to kill everyone
hankering for a wannabe war,
dropping bombs on boaters for fun:
theatrical performance for his audience of one

It's beginning to look a lot like fascism
Kristi's on a spree
making violent spectacles
exiling folks to hell
& ravaging the rule of law with glee

It's beginning to look a lot like fascism
Join together now!
We must save our democracy!
We must fight the tyranny!
We will not bow down!
