It's Beginning to Look a Lot Like Treason

Tune: It's Beginning to Look a Lot Like Christmas

It's beginning to look a lot like Treason
Everywhere you go
Sentenced to five to ten, or life in the pen
With stri-ped shirts and metal bars aglow
It's beginning to look a lot like Treason
Russian Agents off our shores
But the prettiest sight to see, is the rejoicing that will be
When Trump's behind locked doors
