Let It Snow!

Tune: Let It Snow

Oh, our politics are frightful
But the Grannies are delightful
And since we have seeds to sow
Let them grow, let them grow, let them grow!

While the president is spiteful
And his actions are inciteful
We Grannies are in the know
Let us glow, let us glow, let us glow!

Chorus:
When we finally do succeed
Gratitude wi..ill be so..o sweet
From corruption we will be freed
Then we'll be able to lead!

When Republicans are hateful
We Grannies are a plate full
So, let's get on with the show
Let us crow, let us crow, let us crow!
