Little Donnie

Tune: Rockin' Robin

He tweets in the darkness, all the night long
Ranting and a-raving 'bout someone done him wrong
All the brave pussies he'd been grabbing when he can
Finally had enough and said they'd stick it to the man

Little Donnie – tweet — (Pause)—- tweetily deet
Little Donnie – tweet— (Pause)—– tweetily deet
Yo, Little Donnie, you've finally met your match

Their march was well attended, it was huge beyond compare
His inauguration looked just lame, the mall was almost bare
All the pink hats worn from sea to shining sea
Grabbed back at the tiny-handed misogynist in chief

Little Donnie – tweet—- (Pause)—– tweetily deet
Little Donnie – tweet—– (Pause)—- tweetily deet
Yo, Little Donnie, you've finally met your match
