Now's the Time to Raise Our Voices 2

Tune: Someone's in the Kitchen with Dinah

Now's the time to raise our voices!
Now's the time to stand up proud!
Now's the time to make our choices!
Now's the time to shout out loud!

D.C. folks must have a vote for Congress,
Just like those in other states.
They're tired of being taxed to get less,
With Congress deciding their fate!

change tune: The More We Get Together

Sooo, the more we work together, together, together,
The more we work together, the happier we'll be!
For your friends are my friends,
And my friends are your friends,
The more we work together, the happier we'll be!
