Put Your Hand in the Hand

Tune: Put Your Hand in the Hand (of the man who stilled the water)

Put your hand in the hand of the women who came before ya

(Rest, Clapping)

Put your hand in the hand of the women who are yet to be

(Rest, Clapping)

Put your hand in the hand of the women who are near you

(Rest, Clapping)

Put your hand in the hand of the women you want to be
