

Raging Grannies Strong!

Tune: Solidarity Forever

Chorus #1:

Look out! 'Cause we are growing bolder!
We're gaining strength as we grow older!
Our steps they might be slow, and 'though our boobs are hanging low,
We are Raging Grannies strong!

It's economic equity we're raging for today.
Billionaires get richer while we struggle for fair pay.
While poor folks sleep on sidewalks, Grannies seek another way...
We are Raging Grannies strong!

Chorus #2:

Look out! 'Cause we are growing bolder!
We're gaining strength as we grow older!
You can throw us into jail, but by our numbers we'll prevail.
We are Raging Grannies strong!

*They tell us that the TPP's a benefit for all
But corp'rate power always trumps the rights of one and all.
With loss of jobs and secret courts, it's such a lousy call...
So spread the word it's wrong.*

REPEAT CHORUS #1 or #2

Climate change is here to stay; it's hot as hell today!
In other places, homes and farms are being washed away.
Glaciers melt and oceans rise... disasters every day...
And the poor are the first to pay.

REPEAT CHORUS #1 or #2

*Anyone can buy a gun; they're easy to obtain;
Children get their hands on them, they think it's just a game.
We've got to fight the NRA, they really are insane.
We are Raging Grannies strong!*

REPEAT CHORUS #1 or #2
