RFK Junior

Tune: That'll Be The Day (Buddy Holly & The Crickets)

Well, RFK Junior

Vaccine denier

Yes, RFK Junior

Pseudo-science peddler

His policies will drive

Infections sky high

With RFK Junior

We'll all die

MAHA are the true believers

And the raw milk drinkers

Bringing back old diseases

For you and me

Pushing sketchy supplements

Posting suspect content

They go viral, it's trouble

Well, RFK Junior

Public health wrecker

Yes, RFK Junior

Fringe theory supporter

His legacy will be

Measles running free

With RFK Junior

We'll all die

Well, he's destroyed health agencies

Gutted the CDC

Broke herd immunity

Across the country

Immunocompromised and

Babies pay the price

He earns profits as a skeptic

Well, RFK Junior

Health underminer

Yes, RFK Junior

Disinformation sender

His budget cuts will hurt

Years of future research

With RFK Junior

We'll all die

He's not a scientist

Doesn't believe in it

Promotes conspiracies

About immunity

Ignores salmonella

Downplays cyclospora

It's a mess his HHS

Well, RFK Junior

Snake oil seller

Yes, RFK Junior

Data manipulator

His arrogance will bring

Disease and suffering

With RFK Junior

We'll all die
