

Should Aldermen Just be Forgotten?

Tune: Auld Lang Syne

Should Aldermen just be forgot, And never brought to mind?
Should Aldermen just be forgot,
It's an old, lame sign!

Chorus It's an old lame sign, my dear,
An old lame sign!
Of days gone by when women slaved
And men ruled by design.

Now all the towns across the land
Have gone to "Councillor"
Will Calgary ~ alone we see ~
Re-main a dinosaur?
– chorus –

Should Aldermen just be forgot,
And never brought to mind?
We'll drink a cup to progress then,
And leave the past behind!
