Song of the Reflecting Pool

Lyrics © 2026 Marty Eberhardt
Tune: This Little Light of Mine

Note Gestures!

This little pool of ours
He's gonna make it shine
This little pool of ours
He's gonna make it shine
This little pool of ours
He's gonna make it shine
Make it shine, make it shine, make it shine

Paint it flag blue
He's gonna make it shine.
Sixteen million of our **dol**lars
He's gonna make it shine
Paint it flag blue
He's gonna make it shine
Make it shine, make it shine, make it shine.

Do it in the heat,
He's gonna make it shine
Hire your cronies
He's gonna make it shine.
Do it in the heat
He's gonna make it shine
Make it shine, make it shine, make it shine.

PAUSE

Turned all green with algae blooms

He was gonna make it shine.
Smells a lot like rotten eggs
He was gonna make it shine.
Turned all green with algae blooms
He was gonna make it shine
Turned to slime, turned to slime, turned to slime.

Flag blue paint is chipping off
He was gonna make it shine
Paint chips floating midst algae blooms
He was gonna make it shine.
Flag blue paint is chipping off
He was gonna make it shine.
Turned to slime, turned to slime, turned to slime.

He tells us it's some vandals' fault
He was gonna make it shine.
Touch it you might go to jail
He was gonna make it shine.
He tells us it's some vandals' fault.
He was gonna make it shine
Turned to slime, turned to slime, turned to slime.

That Strait of Wa-arm Ooze
He was gonna make it shine.
Ducks are dying right and left
He was gonna make it shine
That Strait of Wa-arm Ooze
He was gonna make it shine
Turned to slime, turned to slime, turned to slime.

What is gonna happen next?
He was gonna make it shine.
Millions more to "fix" the pool

He was gonna make it shine.
Wanna see the Lincoln Memorial
He was gonna make it shine.
Turned to slime, turned to slime, turned to slime.

Key:G major / Start on D
