Tax-Cuts

Tune: Toyland (from Babes in Toyland)

Tax Cuts *(neck cutting gesture)*
Tax Cuts
Only the rich get tax cuts
Bet your bottom dollar, they will always grasp for more. *(grabbing gesture)*

Tax Cuts *(neck cutting gesture)*
Tax Cuts
Growing their wealth with tax cuts
Putting all their dollars, in accounts they keep off shore *(thumb gesture)*

Tax Cuts *(neck cutting gesture)*
Tax Cuts
Bribing our pols for tax cuts
Lawyers and accountants, help them rob the Federal store
(½ gesture guns; ½ gesture hands up)

Tax Cuts *(neck cutting gesture)*
Tax Cuts
Holding our breath for tax cuts
Don't expect to see none, cause they're greedy to the core
