

The Grannies Twist

Tune: The Twist

CHORUS

Come on Grannies, let's all RESIST
Come on Grannies, let's all RESIST
Come on Grannies, we must PERSIST
They can't stop us, can't stop us now
We're experienced, and we know how

'Nam and Nukes, Women's Rights
Social Justice, all the Fights
Been there, Done That, Day and Nights
Let's take a bow

REPEAT CHORUS

Call us Babies, Tell us to grow up'
Call us Snowflakes, or worse Buttercup
Rubber bullets, Tear gas too
We've been locked up, How bout you?
Been there, Done that, Days and Nights
Let's take a bow

REPEAT CHORUS

We're Resilient, We're defiant, too
Not gonna shut up, not 'til we're through
Songs of protest, shouting loud
Gonna make our grandkids proud
Won't you join us, Days and Nights
We'll show you how!

REPEAT CHORUS
