US Air Force Song

Tune: Wild Blue Yonder

F-35
It is a nuclear weapon
Costs so high; and climbing higher
F-35
Four hundred billion dollars
Contracted with; Lockheed Martin
F-35
Their PAC gave thousands to our
Leahy and Welch: Over the years
The noise, Severe; You Cannot hear
And neither can victims of the Air Force

If you please
We don't need nuclear weapons
In our state; Yankee's enough
It's our guard
And we are all good neighbors
Putting up; With all this stuff
We're concerned
For all the health and safety
Of the folks; in and around
For quality of life we'll fight
Burlington as a first strike site
