Warhawks 2

Lyrics © 2025 Unlisted Songwriter
Tune: When the Red, Red Robin

When the warhawks in Washington
Put all their armor on
Should we make war?
Must we start the killing
Cause they're unwilling
To talk some more?

Wake up! Wake up, America!
Rise up! Stop this hysteria.
Be mighty wary o'
U.S. world domination!

When war is perpetual
It's sure to get you all
Terror, turmoil.
Why should we go to war?
What are we fighting for?
Just more oil?

We never could agree
With no diplomacy
And temper on boil,
When the warhawks in Washington
Put on their armor for war.
