# We Must Act

Lyrics © 2025 Pia Rostholder
*Tune: Frère Jacques*

Storms keep brewing
What are we doing?
About climate change
About climate change
The storms are getting stronger
The seasons lasting longer
We must act
We must act

Water's disappearing
Just as we've been fearing
Fires now increase
Food production's ceased
We watch the deserts growing
Starvation never slowing
We must act
We must act

Glaciers are shrinking
Islands are sinking
As oceans rise
Before our very eyes
Trump demands more drilling
Though fossil fuels are killing
We must act
We must act
WE MUST ACT!
