We're All Aging Well

Lyrics © 2013 Georgie Kunkle
Tune: New York

We're all aging well!
Can't you really tell?
We walk our mile every day,
Our hearing's okay.

We've changed to tofu.
We're no longer blue.
We've dumped the meat off the grill,
Our body's trim.

We're going to find a way
To keep that old-fashioned charm,
And eating veggies galore
Right off the farm.

We're traveling far
In our touring car.
We're trying to go round the world
While we're still young.

We'll really celebrate
Before it is too late!
We're living life
Right to the end

(Spoken) You'd better believe it!
We're living life right to the end!
