We're All At Risk From ICE

Lyrics © 2026 Paige Grant

When ICE decides you will be shot,
you have no rights
When ICE decides you will be shot,
you have no rights
When ICE decides you will be shot –
citizen, immigrant, brown or white –
Oh, we're all at risk
from ICE both day and night

We say her name, it was Renee,
and she was Good
She cared to witness for her friends
and neighborhood
She cared to witness for her town,
though she was Good they shot her down
Oh, we're all at risk
when ICE is prowling 'round

His name was Alex Pretti
and he tried to help
A bruiser shoved a woman,
and he tried to help
A good man didn't deserve to die
brutally killed and smeared with lies
Oh, we're all at risk
from ICE, we can't deny

They terrorize the blue states for a spectacle
The cruelty and suffering's intentional
So, Democrats, you're on their list:
Better get ready, we must resist!
Oh, we're all at risk from ICE's iron fist!
