We've Been Throwing All the Garbage

Lyrics © 2014 Unlisted Songwriter
Tune: I've Been Workin' on the Railroad

We've been throwing all the garbage
In the city dump.
Don't throw away your baby's Pampers
'Cause they'll sit there in a lump.
The water's getting real polluted,
And there's not enough to drink.
If we sit here doing nothing,
Our world will really stink!

Chorus:
The Earth is so polluted
The Earth is so polluted
The Earth is so polluted it makes us sick!
The Earth is so polluted
The Earth is so polluted
We better do something quick!
