Where Have All the Forests Gone?

Lyrics © 2014 Unlisted Songwriter
Tune: Where Have All the Flowers Gone?

Where have all the forests gone?
We watched them passing.
Where have all the forests gone?
We ought to know.
Where have all the forests gone?
Gone to pulp mills every one.
When will we ever learn?
When will we ever learn?

Where have all the songbirds gone?
Who saw them passing?
Where have all the thrushes gone?
Whose songs we know-ow.
Where have all the songbirds gone?
Seeking homes but finding none.
When will we ever learn?
When will we ever learn?

Where have all the ow-wls gone?
Silently passing.
Where have all the great greys gone?
Soft-winged and slow.
Where have all the ow-wls gone?
To museums every one.
When will we ever learn?
When will we ever learn?

Where has wilderness all gone?
To history passing.
Where has wilderness all gone?
Who let it go?

Where has wilderness all gone?
Where we're going every one,
If we don't ever learn.
If we won't ever learn.
