White Country

Lyrics © 2018 Hinda Kipnis
Tune: White Christmas

I'm dreaming of a white country
Where only billionaires rule.
They're so clever and bri-ight
And always ri-ight.
We the people are just fooled.

I'm dreaming of a white country
Where the-e wealthy own the place.
Where folks of color just listen
And make the place glisten
For our superior white race.

I'm dreaming of a white country
Where the one percent need more and more.
For their power so hollow
They need people to follow,
Be cannon fodder for their wars.
