WTO Rap

Lyrics © 2014 Kay Thode

The World Trade Organization
Supersedes the laws of all the nations.
Trade is the answer, profit is the king.
To heck with human right, they don't mean a thing.

Unelected corporate bosses make all the rules.
Guess they take us all for a bunch of fools.
No more labor standard, down with environment.
Child labor is much cheaper, sweatshops charge less rent.
Patent all the seeds, make the farmers pay,
Bioengineering is the order of the day.

Now the time has come to stop this corporate plan.
We want trade that's fair, not this free trade scam.
Put a stop to this train of devastation
Before it wrecks the planet and our entire nation.
Replace the corporate rulers with people we elect.
Make rules that serve all people, not just the select.

Chant: WTO SIMPLY HAS TO GO! (three times)

BEGONE!
