YMCA RED HATS SONG: FAFO

Lyrics © 2026 Llse Spangenthal
Tune: Y.M.C.A. (by The Village People)

Red Hats you supported this clown
Red Hats now your world's upside down
Red Hats when will you finally come round
Don't you see how he betrayed you

Red Hats you supported him thrice
Red Hats now you all pay the price.
Red Hats now you want to make nice
Because he is a such loser

FAFO
You're really FAFO
He promised you a "Golden Age"
How do you like your empty gas gauge
FAFO
Lets all sing it
FAFO

You voted for him
You thought he was great
'Cause he gave you permission to scapegoat and hate

Red Hats you lack compassion and class
Red Hats your heads are stuck up your ass.
Red Hats don't you feel any shame
You'll just find someone else to blame

Red Hats you've been fed lot's of lies
Red Hats now it's you're turn to cry
Red Hats it's the end of your reign
You have caused us needless pain

FAFO
The Dems are taking over
FAFO
Your MAGA days are numbered
You had your run
But now you're done
Crawl back under your rock

We're singing FAFO
See you later gator
FAFO
You thought you were right
And now you're wrong
And that's the end of your song.

FOOLED AROUND &
FOUND OUT !!

F A F O !!
